

# Vehicle Inspection Report

BLANK TEMPLATE

|                   |       |                 |                    |
|-------------------|-------|-----------------|--------------------|
| DATE              | TIME  | CHECK TYPE      | TEMPLATE           |
|                   |       | Pre / Post-trip | Car / pickup       |
| VEHICLE / UNIT ID | PLATE | ODOMETER        | INSPECTOR / DRIVER |
|                   |       |                 |                    |
| LOCATION          |       |                 |                    |

Mark each check: P = pass, D = defect, N/A = not applicable. Describe every defect and how serious it is.

| CHECK ITEM                                        | RESULT                                                                             | SEVERITY | DEFECT DETAILS |
|---------------------------------------------------|------------------------------------------------------------------------------------|----------|----------------|
| <b>EXTERIOR</b>                                   |                                                                                    |          |                |
| Body panels, doors and visible damage             | <input type="checkbox"/> P <input type="checkbox"/> D <input type="checkbox"/> N/A |          |                |
| Windshield and windows clear, undamaged           | <input type="checkbox"/> P <input type="checkbox"/> D <input type="checkbox"/> N/A |          |                |
| Mirrors and cameras secure and clean              | <input type="checkbox"/> P <input type="checkbox"/> D <input type="checkbox"/> N/A |          |                |
| Wipers and washers working                        | <input type="checkbox"/> P <input type="checkbox"/> D <input type="checkbox"/> N/A |          |                |
| Headlights and high beam                          | <input type="checkbox"/> P <input type="checkbox"/> D <input type="checkbox"/> N/A |          |                |
